PETITION UNDER 37 CFR 1.48 TO CORRECT INVENTORSHIP

BY COURIER

The Commissioner of Patents
and Trademarks,
Washington, D.C. 20231,
U.S.A.

Dear Sir:

Petition is hereby made under the provision of 37 CFR 1.48 to correct the inventorship for this application, to add Michel H. Klein, as a co-inventor.

Under the signature of the undersigned agent of record, the error in failing to name Michel H. Klein as a co-inventor arose without any deceptive intention on my part. It was only when the specification was reviewed by Dr. Klein following filing that the omission of Dr. Klein as a co-inventor came to light.

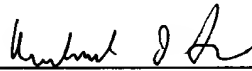

In support of this Petition, submitted herewith are:

1. Declaration by Michel H. Klein that his omission as an inventor occurred without deceptive intention on his part,
2. Declaration and Power of Attorney executed by each of the inventors, including Michel H. Klein
3. Cheque in respect of the prescribed fee in 37 CFR 1.17(i)

4. Written consent of the Assignees

Having regard to the above, it is submitted that Michel H. Klein should be added as a co-inventor.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Michael I. Stewart", is written over a horizontal line.
